If you are applying for Credit you should indicate this on your enrolment and supply certified copies of your transcripts so we can assess your application for Credit. See the section on Credits in this Handbook below.

UNIQUE STUDENT IDENTIFIER (USI)

Unique Student Identifier (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

For information about exemptions for individuals please review this webpage:

<https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

CREDITS

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

Excel College Australia can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed.

There is no charge to apply for Credit.

To apply, fill in the Credit Application Form and submit it as part of your enrolment. You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach certified copies of transcripts from your previous study. In some cases we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

Excel College Australia has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning and you will be advised of these fees upon contacting us.

For more information about submitting an application for RPL, contact the head office.

COURSE INDUCTION

At the start of your course will be provided with an induction. The induction will provide you with specific details about your course requirements, important dates and will be an opportunity to meet your trainer and the other students in your course.

The induction will also provide you with important information about health and safety requirements including emergency evacuation procedures and incident reporting (see section in this handbook on health and safety), as well as a range of other important matters relating to your rights and responsibilities as a student.

The induction also provides an opportunity for you to ask any questions you might have about studying with us. During this induction, we also make sure that we have all the required forms and paperwork filled in.

At your induction you will receive your first set of learning materials so that you can start on your learning journey.

General housekeeping arrangements are also discussed as stated in the section below.

COURSE EXPECTATIONS AND REQUIREMENTS

The training and assessment offered by Excel College Australia focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency based training and assessment. Each of the components of your course is a unit of competency. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Our Course Information includes the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance.

Assessment methods usually include written questions, projects, written assignments, and practical observations.

ATTENDANCE AND HOMEWORK REQUIREMENTS

It is an expectation that you attend every class so as to not fall behind. Please provide reasonable notice class if you are unable to attend physically for any reason so that our staff may join you into the Zoom connection. Similarly please provide reasonable notice if you are unable to attend at all and discuss the reasons for this with your trainer/assessor.

There will also be an expectation that you complete a certain amount of homework each week in order to finish learning and assessment tasks required for completion of your course. Your trainer will guide you on what to do during this time and how much is expected.

ASSESSMENT ARRANGEMENTS

At the beginning of each unit, your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet asks you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet.

Assessments are to be submitted directly to the trainer/assessor.

You must keep a copy of all tasks that you submit, as we are not able to return copies because we must keep them as evidence in your file. Additionally, we will not be held responsible for any items that go missing in the post. If this occurs, you will be asked to re-submit the work.

Written work will be marked within 10 days of receipt. Your assessor will provide you with written feedback and confirm the outcome of the task on the Task Cover Sheet.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have 2 further attempts to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re-submission.

If, after the third attempt, you are still assessed as Not Satisfactory for a task, you will need to complete additional training and assessment to support you in achieving a Competent outcome. This may incur an additional fee for self-funded students as identified in the fees and charges information.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

Appealing assessment decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.
